

# The Premier Discount Card

# #1 Discount Card Fundraiser in America!

## Your Favorite Business Wish List

Please fill out your favorite business list as thoroughly as possible. Print clearly and be sure to list the phone numbers for each location that you would like to see on the card. It is important to list as many as possible. The more eating establishments you have on the card the better your card will sell. Since people eat every day, they will easily recoup their \$10.00 donation by using the card at the places they already patronize.
